Walnutport, PA 18088

Dear Mr. Geary:

This letter is to confirm your reception of the W F A M Station signal on the date of January 20, 1988.

The only discrepancy is the fact that "Contact America" is a live via satellite program which ends at 5:00 pm and is followed by a local church program from 5:00 to 5:15. There is no way to confirm any direct quotations;however, the address and telephone numbers quoted are correct.

The power output of W F A M is 5,000 WATTS on high power, which is reduced to 280 WATTS at sundown.

Thank you very much for letting us know you heard!

Sincerely,

Yiola Wren
